

# **AN IMPORTANT MESSAGE FROM KERRY COUNTY COUNCIL**

**Kerry County Council wishes to advise the people of the county that our services continue to be available to you.**

**We all need to protect ourselves from COVID-19 so if you need us, we are asking you, where possible, to give us a call or send us an email in the first instance - we can deal with many queries over the phone, talk you through our online services, help you find the information you need, and provide you with the right advice.**

**If you need to meet a member of staff, we will gladly arrange an appointment ensuring that social distancing requirements are met.**

**Contact details for all our services are available on [kerrycoco.ie](http://kerrycoco.ie) and you can reach us on 066 7183500. In the meantime, keep well, look out for vulnerable neighbours and follow the guidance and advice from the health authorities.**

**Together, we can all play our part in limiting the spread of COVID-19**
